- INTEL® Atom Processor D2550 (Dual Core) CPU
- INTEL® ICH10R Chipset
- Discrete NVIDIA 610M W/1GB VRAM Onboard
- Built-in 802.11b/g/n full size Mini PCI-E WiFi card
- Support half size mSATA card
- 1080p HD streaming on TV
- Surfing and gaming on TV
- MCE Compatible Remote control (option)
- Small footprint, versatile features
- Friendly user interface
